WISCONSIN YMCA YOUTH IN GOVERNMENT

Delegate Code of Conduct

The purpose of the Wisconsin YMCA Youth in Government Program is to develop within our youth a dedication to the values of democracy and an awareness of the need for their participation and leadership in the democratic process. Participants in this program are especially privileged because they are allowed to use the historic chambers and offices in the State Capitol.

A level of conduct that requires self-control, individual decision-making, responsibility, and adherence to a dress code is required for each conference experience. The Code of Conduct should be observed by both youth and adults. With this in mind, the following Code of Conduct has been established for the WI Youth in Government Program.

Registration for the Wisconsin Youth in Government program implies personal acceptance of the code of conduct as stated:

1. Each delegate, advisor or other participant agrees to conduct themselves in an orderly manner before, after, and during the functions of the program; remembering that conduct to, at, and from meetings, retreats, conference and Capitol facilities, public and private facilities, and the hotel reflects upon oneself, one's delegation, and the YMCA.
2. Each delegate agrees to abide by and foster all YMCA rules and philosophies and agrees to create an atmosphere compatible with the YMCA's mission to help develop caring, capable leaders.
3. It is the responsibility of each participant to attend all scheduled sessions and activities. **Any absence from a state event must be prearranged with the Delegation Advisor and the State Director.**
4. Participation will be maintained on respectful, intellectual and productive levels. Each participant is a role model. The group's behavior should be viewed as irreproachable. Inappropriate sexual behavior and sexual harassment will not be tolerated. Activities, language and debate of questionable intent or safety will not be allowed, as interpreted by the State Director. Any criminal behavior or actions that endanger self or others will not be tolerated.
5. Each participant will respect the property of others and that of the Capitol and conference facilities, the hotel, and any other public or private facility used by a group or delegation. In the event of willful destruction of private or public property, each delegate is held responsible, including for any financial cost incurred. Theft will not be tolerated. Materials of officials in the state government should not be touched and/or tampered with.
6. Conservative, professional, business dress is the expectation during program activities and official functions. Clothing choices should reflect preparation for a job interview or work in government service. Anyone not in compliance with the dress code may be asked to change clothes. Nametags must be worn at all times to identify your participation.
7. Cell phones, laptops and other personal electronic media devices, including those with headphones, may only be used as directed for research during any scheduled activity.
8. The use or possession of alcohol, non-prescription drugs, or any tobacco product is forbidden, in accordance with the law and YMCA policy. Smoking is not permitted in any facility or at any function.
9. Delegates are to observe curfew and quiet hours at Model Government functions, facilities, hotel rooms and hallways. Swimming pools may be used by participants and advisors at their own risk. Hotel charges for room service, phone calls, and other charges must be covered by room occupants before checking out.
10. Delegates are to observe a threshold rule in the hotel; delegates may only enter and convene in their assigned rooms.
11. Participants (delegates, volunteers, advisors) who drive vehicles to/from program events assume all cases of liability.
12. Participants who violate the code of conduct may be suspended from program activities and the conference. The delegation and state directors will recommend disciplinary action, including the removal of the delegate from activities and/or the termination of the delegate's program participation. **Should a delegate be sent home, it is at their own expense.** The State Director has the final authority to administer any disciplinary action deemed necessary, as well as the authority to delegate his or her disciplinary powers to any staff person he or she deems appropriate.
13. All participants share responsibility for their actions when violations of the Code are witnessed. Those who decide to be present when a violation occurs shall, by their own choice, be considered a participant in the violation.

As a participant in the Wisconsin YMCA Youth in Government Program, I realize that such a privilege involves certain responsibilities. I understand the expectations set before me in the Wisconsin Youth in Government Code of Conduct and all other rules and regulations for the good of the program. I further understand that if my conduct does not meet these standards, I relinquish the right to the opportunities afforded to me by the Wisconsin YMCA Youth in Government Program and that I may be sent home from any YIG activity at my own or my parent's expense immediately.
